## Integrity and Experience Working for You

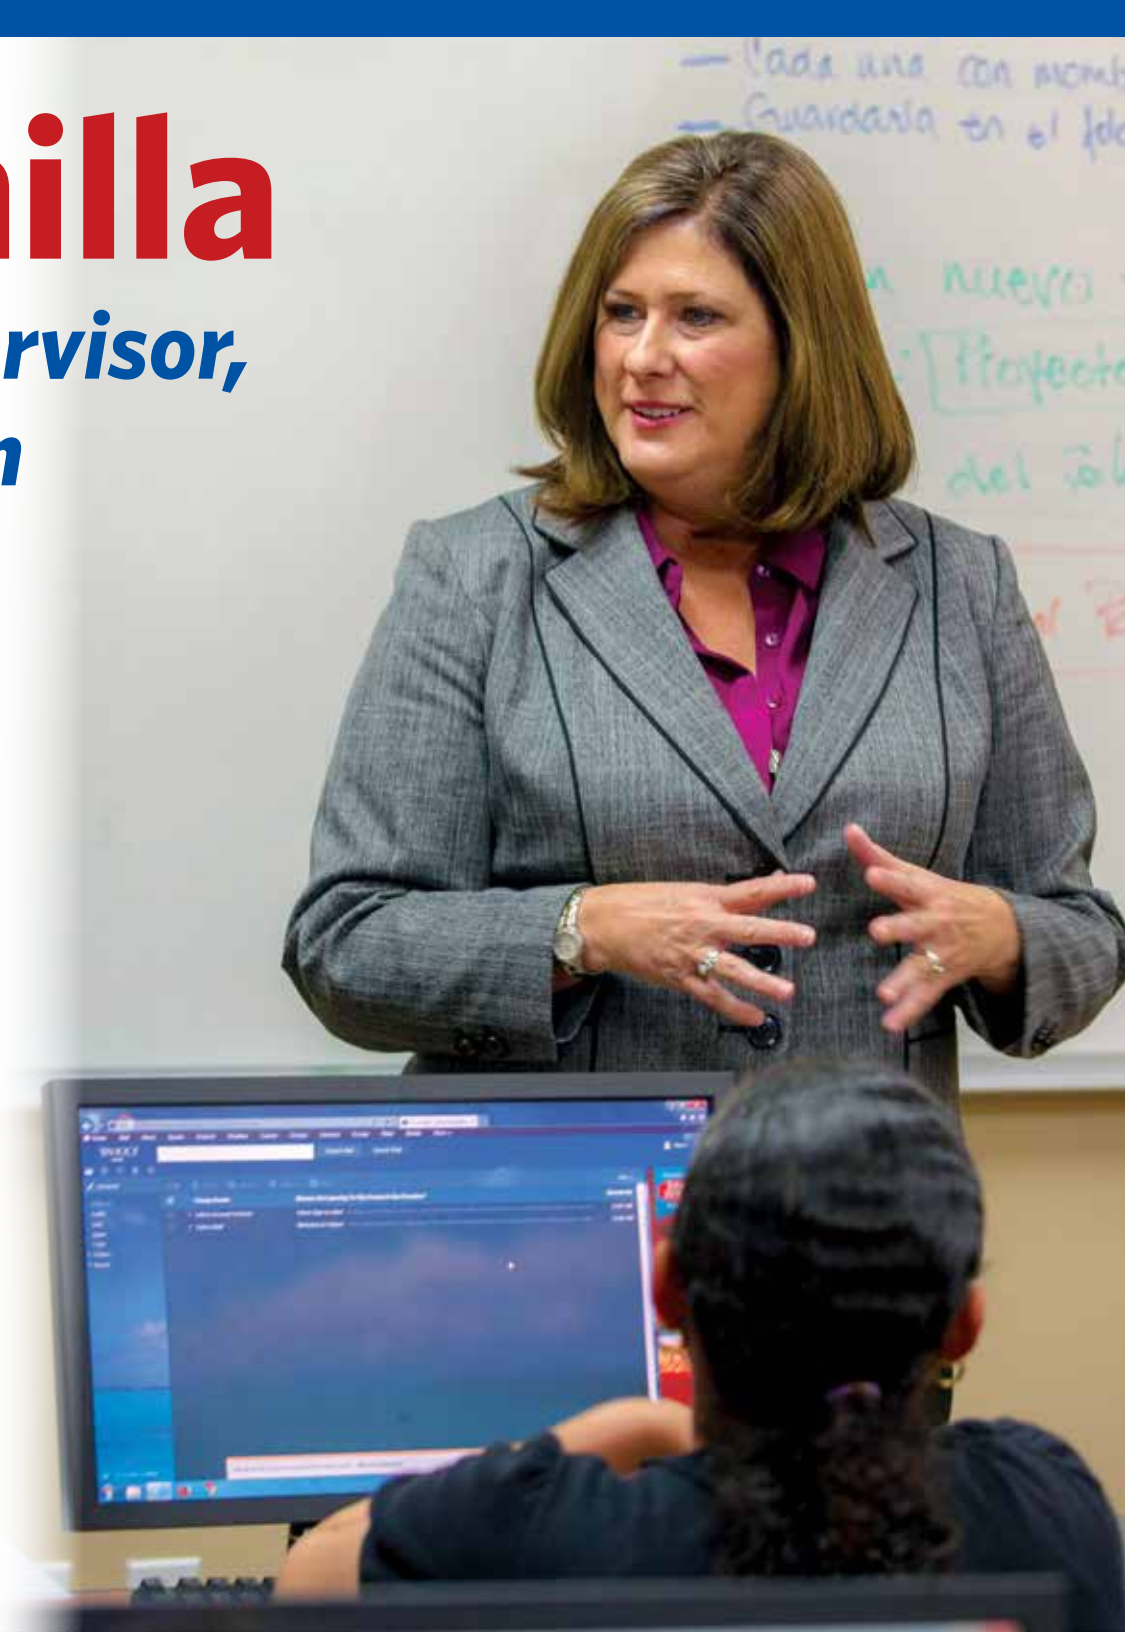

# Susan Bonilla

## ***Educator, Mayor, Supervisor, State Assemblywoman***

*Susan Bonilla is a proven leader who served our community as a classroom teacher, local Mayor, County Supervisor, and State Assemblywoman.*

Susan Bonilla understands the challenges facing middle-class and working families not only because she has lived them, but because she devoted her life to helping others. First as a classroom teacher, and later as a local Mayor and County Supervisor, Susan has been a leader focused on improving opportunities, solving problems, and fighting for our community.

Susan stepped up to solve the fiscal crisis in Contra Costa county, protecting taxpayers by reducing wasteful spending, fixing unfunded liabilities on retiree benefits, and preserving vital services like public safety.

## **Susan's Priorities**

Susan Bonilla is running for the State Senate in the special election to build upon her successful work in the Legislature advocating for middle-class and working families.

- **Protecting the Delta and strongly opposing the construction of the twin tunnels**
- **Continuing her successful efforts creating jobs in high unemployment areas and raising the minimum wage**
- **Fighting for workplace equality and protections to ensure that women receive equal pay for equal work**
- **Expanding new job training, workforce development, and placement programs connecting businesses with qualified employees**
- **Making college more affordable and creating opportunities and tools for small businesses to succeed**
